# CURATED EXPERIENCES

*Arrow curates unique learning environments that invite the Gospel to confront and shape leaders in highly relational and experiential ways. We aim to develop a spiritual community of lifelong, Kingdom-minded leaders, who will be led more by Jesus, lead more like Jesus, and lead more to Jesus, in whatever arena they are placed.*

The 12-month cohort journey includes; personal coaching, facilitated spiritual formation groups, a reading programme, and individual development plans.

## **Residential One:**

Shaped around the story of Rangiaowhia (Te Awamutu), this residential focuses on some of the unresolved pieces of Aotearoa's history. We invite leaders to come and listen, learn, and engage in meaningful conversations about our story, and take their place as those who are called to peace, justice, and reconciliation.

## **Residential Two:**

Set against the backdrop and story of Our Lady's Home of Compassion (Island Bay, Wellington), we will unpack the principles of transformational leadership and apply them to our organisational contexts.

## **Residential Three:**

Immersed in the life of Jesus we explore how to lead congruent gospel-shaped lives and organisations. Expanding our ability to craft and share the stories of our lives and organisations in compelling ways.

# COSTINGS

The LEAD curated experience is \$4500 (incl) and includes all residential accommodation and food, individual coaching, and spiritual formation groups.

Travel and any additional resources are additional and the responsibility of the participant.
