THER

Leadership is challenging and can be isolating.

SOUL is designed to help you identify your unique wiring, gifting, and vocational calling. We provide a place for spiritual formation and leadership growth within a community of peers who are facing the same things as you.

Throughout the 18 month, part-time programme you will take part in:

- ✓ 3 x residential retreats
- ✓ Peer Learning
- ✓ Personally tailored development

You will have the opportunity to engage with our Aotearoa context, uncover and develop your vocational call and how you are designed to partner with God in community transformation.

CURATED EXPERIENCES

Arrow curates unique learning environments which invite the Gospel to confront and shape leaders in highly relational and experiential ways. We aim to develop a spiritual community of lifelong, Kingdom-minded leaders, who will be led more by Jesus, lead more like Jesus, and lead more to Jesus, in whatever arena they are placed.

The 18-month cohort journey includes; personal coaching, facilitated spiritual formation groups, a reading programme, and individual development plans.

Residential One: New Plymouth

Shaped around the story of Parihaka, we invite leaders to consider, through a Gospel lens, how our cultural landscape shapes our identity and leadership both personally and collectively.

Residential Two: Christchurch

Inspired by the life of Kate Sheppard we will explore the principles of transformational leadership and how they can shape our life and praxis contexts.

Residential Three: Auckland

Immersed in the life of Jesus, our focus is personal vocational formation. We explore each leader's gifting, wiring, and personality. We create space for leaders to identify and strengthen areas of vulnerability and opportunity.

COSTINGS

The SOUL curated experience is \$4500 (incl) and includes all residential accommodation and food, individual coaching, and spiritual formation groups. Travel and any additional resources are additional and the responsibility of the participant.
